## **HUMAN SERVICE EXPERIENCE**

September 2013 through present- **Clinical Director**, Pacific Quest, Hilo, HI.

Provide clinical oversight and therapy services for therapeutic wilderness program with the Sustainable Growth™ integrative clinical practice model that utilizes NMT®, horticultural therapy, holistic wellness, rites of passage, experiential learning and evidence-based therapies to achieve transformative change. Supervise team of therapists and clinical psychologists in providing effective individual, group and family therapy, psychological evaluations, case coordination, team leadership, intervention planning, and crisis support. Conduct professional presentations, training, and educational activities.

October 2013 through present- **Owner and Operator**, Black Sand Neuropsychological Services, Inc., Hilo, HI.

Provide pediatric and school neuropsychological evaluations and consultation services; conduct sandplay therapy, personal process work, and research; conduct NMT® metric assessments ("brain maps"); provide supervision and consultation services for therapists and psychologists; train and consult on statewide, national and international level in children's behavioral health, clinical administration, trauma, neuropsychology, and sandplay therapy.

March 1995 through September 2013- **Co-Founder and Chief Clinical Officer**, TeamBuilders Counseling Services, Inc., Santa Fe, NM with offices in 23 counties in New Mexico, and on the Mescalero Apache reservation, and with subsidiaries in Albuquerque, NM and Texas.

Administrate multi-service, non-profit Children's Community Mental Health Center and designated Core Service Agency (CSA) in the State of New Mexico, credentialed through Medicaid, managed care, CYFD, and other third party payors. Site certified in NMT®. Annual budget in FY 2012-2013 for TeamBuilders, Inc. was \$24 million with over 600 employees and approximately 100 licensed clinical staff, including 25 clinical supervisors and directors under my supervision. Services include assessment, counseling, psychiatric care and telepsychiatry, psychological and neuropsychological evaluations, home-based family services, comprehensive community support services, infrastructure development for SED children, crisis intervention and critical incident response, multi-systemic therapy (MST), dialectical behavior therapy (DBT), sandplay therapy, school-based mental health services (on-site in over 25 school districts), psychoeducational services, child abuse prevention, adoption counseling and home studies, treatment foster care, emergency shelter care, residential treatment, substance abuse treatment services, behavior management services, behavioral respite care, juvenile community corrections, and professional training and consultation. The agency also provides adult psychosocial rehabilitation services and adult community corrections services in several counties. Responsibilities include administrative and clinical oversight for all programs, direct service, policy and planning, grant writing, program development, staff development, and collaboration on local, state, and national levels.

Served on numerous State planning and quality assurance committees for children's behavioral health. Provided expert witness testimony. Certified as a Peer Reviewer for the Council on Accreditation (COA) and also trained to conduct reviews using the Quality Service Review (QSR) system.

Direct service duties include conducting neuropsychological and school neuropsychological evaluations, individual, group and family therapy, consultation and training on statewide, national and international level in children's behavioral health, trauma, and sandplay therapy.

February 2005 through June 2010- **Pediatric Neuropsychologist**, Zia Behavioral Health, LLP, Santa Fe, NM.

Provide psychotherapy, psychological, neuropsychological, and school neuropsychological services to children, families, and adults in an outpatient behavioral health group practice located in Santa Fe, NM.

August 2001 through August 2005- **School Psychologist**, Poudre School District, Fort Collins, CO

Conduct psychological evaluations for children referred to or receiving special education services. Evaluations routinely include cognitive, emotional, and behavioral assessment,

and as needed ADHD, dyslexia, and/or other neuropsychological testing. Duties also include consultation with families, school personnel, and multi-disciplinary team, counseling and crisis intervention services, and critical incident response.

October 1992 through August 2005 - **Clinical Social Worker**, Private Practice.

Conduct outpatient psychotherapy (individual, group, and family therapy), psychosocial assessments, EAP services, adoption counseling, home studies, and sandplay therapy to children, adolescents, and adults. Provide professional training and clinical supervision. Joined Zia Behavioral Health professional group practice in 2005.

August 1994 through August 1995- **Clinical Director**, Youth Panorama, Inc., Tucumcari, NM

Designed, implemented, and supervised clinical services in therapeutic group home which serves emotionally troubled adolescents and their families. Conducted staff development. Provided leadership in community-wide collaboration. Participated on local, State, and national levels regarding policy and programming.

June 1992 through July 1994 - **Clinical Director**, New Day, Inc., Albuquerque, NM

Designed, implemented, and supervised clinical services in various programs of the agency which serves emotionally troubled adolescents and their families. Programs included two (2) emergency shelters, two (2) residential treatment programs, one substance abuse prevention program, and intensive home based family services. Conducted staff development. Participated in policy and program development and community organization initiatives on the local, State, and national level.

December 1990 through May 1992 – **Group Homes Program Director III**, Child and Family Service, Honolulu, HI

Administrated program of six (6) therapeutic group homes for emotionally troubled adolescents with a budget of over \$2 million and 64 employees. Wrote grants, served on State coalitions, and supervised both the clinical and administrative program components.

December 1988 through August 1991- **Social Worker IV** for Monarch House Group Home of Child and Family Service, Honolulu, HI

Provided psychosocial assessments, treatment plans, case management, and individual, group, and family therapy to adolescents in community-based residential treatment. Promoted to Group Homes Program Director III in December, 1990, but continued performing Social Worker IV duties until the vacancy was filled in August, 1991.

August 1987 through December 1988- **Mental Health Specialist / Case Manager** in the Extended Psychiatric Treatment Program for Adolescents at Kahi Mohala Psychiatric Hospital, Ewa Beach, HI

Worked as part of a multi-disciplinary team, utilized skills of case management, milieu therapy, and individual counseling.
